Coleman Hawkins Legacy Jazz Festival
P.O. Box 4334
Topeka, KS 66614

Dear Hawkfest Sponsors, Supporters, and Participants:

Kansas Children's Service League is excited to be a part of the Coleman Hawkins Legacy Jazz Festival, a true world-class jazz festival and family event. We truly appreciate the opportunity to work with the festival to promote the health and well-being of Kansas children and are honored to be selected as the festival's beneficiary for 2008 and 2009.

Whether it's providing parent education and support to keep families together, providing temporary care or finding a Forever Family for children in need, KCSL has been working to keep children safe and families strong for 114 years. Our work has touched lives of thousands of children, parents and families. Take Mark, for example. Adopted as an infant through KCSL in 1970, he was placed in a loving home and grew up with a mother and father who truly loved him, and a brother and sister. He grew up knowing he was adopted and believing his birth mother gave him the gift of life when she gave him up for adoption. Mark Schultz grew up, pursued his love of music and is now a famous Christian Singer, with his songs playing regularly on the radio. Mark Schultz has lived a wonderful life and he credits his success to his birth mother for giving him up for adoption and to his adoptive parents for loving and supporting him. Mark is a true success story of how adoption can change lives.

Mark is just one life that has changed due to the services offered by KCSL. The support and dedication of our community has made these life changing experiences possible. We are grateful to The Coleman Hawkins Legacy Jazz Festival for choosing to help make children's lives better through the programs offered by Kansas Children's Service League. I hope you will take the time to visit our website at www.kcsl.org to learn more.

Sincerely,

Janet Schalansky
President and CEO
